I have been fortunate to utilize Melinda's expertise for 3 years now listing and selling our REO properties. She has been a true professional and has always looked out for the best interest of the bank. While we have a few agents in her area she has always stood out with her professionalism. I would highly recommend using her as a buyer or seller's agent, because you could always count on her to look out for your best interest! ~Thad, National Bank of Arizona VP REO Department

We were extremely happy that we chose Melinda as our Realtor in Flagstaff! We live in the Phoenix area, so it was important to us that we found someone who had excellent communication and follow-through skills so that many of the details could be done online or over the phone. We believe that had it not been for Melinda's detail-oriented approach and deep knowledge of real estate, we would not have closed on the sale. We couldn't be happier with the outcome. We recommend her services without hesitation to anyone who asks! ~Bill & Andrea
