Melinda is an amazing Realtor. She is knowledgeable about the area, thorough, attentive to detail, truthful, communicates well & often and is personable. We have bought/sold many homes in the past and her skills and abilities as a Realtor far surpass anyone we have used before. I highly recommend her and would refer her to anyone seeking a Realtor in the Flagstaff area. ~ Rebecca Hemker 2015

Melinda is the only real estate agent I now use. Being impressed with her is easy due to her work ethic, competence and responsiveness. She is one of the few real estate agents that looks out for what is best for her clients and is not fixed on selling you on something that isn't really what you want. I highly recommend her. ~ RJ Johnson 2013
