INSPECTION

The buyer will usually perform a physical inspection of the home. They may even ask you to make certain repairs. Your agent will explain all of your options regarding the inspection.

FINAL DETAILS

While under contract, the buyer will work with their mortgage provider to finalize the loan and perform other due diligence.

UNDER CONTRACT

At this point, you and the buyer have agreed to all of the terms of the offer and both parties have signed the agreements.

OFFERS AND NEGOTIATION

If everything goes well, a buyer (and most often the agent who represents them) will present your agent with an offer.

CLOSING

This is the transfer of funds and ownership. Depending on when the buyer moves into the home you will need to be all packed up and ready to move.

CONGRATULATIONS!

**YOU'VE SUCCESSFULLY
SOLD YOUR HOME!**

MEET WITH A REAL ESTATE PROFESSIONAL

There's no commitment required on your part for the initial meeting. It will be educational and help you identify your next steps.

ESTABLISH A PRICE

Your agent will provide a market analysis, which will help you set an asking price.

PREPARE YOUR HOME

View your home through the eyes of the buyer and ask yourself what you'd expect. Your agent will offer some useful suggestions.

SHOWINGS

Potential buyers may ask to see your home on short notice. It's best if you can accommodate these requests, you never want to miss a potential sale.

STRATEGIC PRICING

As difficult as it may be, it's important to review the market analysis and consider your home price objectively.
